

Biopurifica hepa

PURIFYING, IT SUPPORTS THE HEPATIC FUNCTION

is a food supplement of vegetal extracts specifically selected in order to support the hepatic function (Artichoke, Milk Thistle, Dandelion, Phyllanthus) and the depurative functions of the body (Artichoke, Milk Thistle, Dandelion). Green tea has a helpful antioxidant action and promotes body fluid draining; Vitamin B6 contributes to normal protein and glycogen metabolism.

Functional ingredients:

Soy Lecithin, Vitamins (B1, PP, B6), Artichoke, Milk Thistle, Dandelium, Phyllanthus, Green Tea.

How to use:

2 tablets a day, preferably in the morning, with a full glass of water.

Pack:

30 tablets

NUTRITIONAL FACTS

| Ingredients | Per dose (2 tabs) | DRV%* |
