

Cholkur creamtech

TO MANTAIN NORMAD BLOOD CHOLESTEROL LEVELS

is a food supplement based on Beta-glucan from oats and cocoa seed powder. Beta-glucan from oats has been shown to lower/reduce blood cholesterol. Hypercholesterolemia is a risk factor for the development of coronary heart disease. The beneficial effect is obtained with a daily intake of 3 g of oat beta-glucan. Cocoa has a tonic and metabolic support action.

Functional ingredients:

Betaglucan and cocoa

How to use:

take 1-3 sticks a day directly in the mouth, or on a slice of bread or in a yogurt, preferably in the evening. Recommended for adults.

Pack:

15 stick

Flavor: Chocolate
